TOPIC: "Into All The World"

Instructors: Dr. Joann Elder, Mt. Calvary MBC, Dayton

*Sis. Wanda Gaines, First Baptist Church of Hartwell,

Women played a vital role in Jesus' life and the early church, providing support and being the first witnesses of his resurrection. The Bible presents a range of women, some in traditional roles and others who actively advanced God's plans in unconventional ways. This class highlights the spiritual gifts for the building up of the body of Christ. It focuses on how to evangelize and discipleship by using the technology of today; utilizing their unique strengths; availing themselves of opportunities to share their faith; demonstrating spiritual leadership; discerning God's prophecies and using the gifts of God to bring people to faith, nurturing spiritual growth, sharing personal testimonies, teaching and mentoring, supporting missionaries and sharing God's message of Salvation, into all the world.
